Participants: 20 maximum (HKOSHA member only)

First-come-first-served basis

Modern (Int'l) Access & Scaffolding Ltd. (MAS) has been incorporated in 1999 as a wholly owned subsidiary company of Modern (Int'l) P & M Holdings Ltd. (MHL). The Company is stemmed from the Scaffolding Department of the mother company (MHL). Access & scaffolding business has started since 1980 and concentrates on the hiring and selling of access equipment, including steel scaffoldings, mobile elevating work platforms and soon afterwards becomes one of the biggest access & scaffolding leasing companies in Hong Kong.

In the safety seminar cum technical visit, you can learn more about modern safety technology for working at height – scaffolding, working platform, rope access, fall arrest and protection system together with the safe operation methods and potential hazards.

Agenda :

- 1. Modern safety technology for working at height – scaffolding, working platform, rope access, fall arrest and protection system**
- 2. Technical Visit**

Registration:

Please complete the reply slip and return to the Association via email admin@hkosha.org.hk. Successful application will be notified via email in due course.

- ❖ **Participants shall pay a refundable registration fee of HK\$50 to secure your attendance. We will refund the amount to you after completion of the event. Please send your cheque to “The Hong Kong Occupational Safety and Health Association”. Alternatively, you may pay directly to our bank account (HSBC, current A/C no.: 111-078119-001).**
- ❖ **No refund will be arranged for those who do not show up.**
- ❖ **No certificate will be issued to those who arrive after 09:30 am.**
